WHY VITAL?

Vital Medical Supplies has been serving the Australian Medical Profession for over 25 years.

We range over 15,000 products - medical equipment and consumables from the most trusted brands in the industry.

Real people answer our phones, not machines. Our Customer Service Team is always striving to offer our Clients their significant experience and product knowledge. We pride ourselves on our prompt and professional service.

We deliver within 48 hours, or even within 24 if you place your order with us before 12pm. We have warehouses in all States so our deliveries are fast and our service reliable.

Our annual Catalogue is distributed to over 30,000 Healthcare Professionals every year, with the majority of these being General Practitioners and Specialists. Our Catalogue is a product reference source for General Practices in Australia, and contains over 3,000 products - only a selection of our full range.

If you want to know more about us please visit our website www.vitalmed.com.au or browse our products in our new Online Ordering System www.vitalmedicalonline.com.au

We look forward to working with you!
